Fertility Apps: A New Approach to FABMs

Overview
In Fertility Apps: A New Approach to FABMs, Dr. Victoria Jennings from the Georgetown University Institute for Reproductive Health will provide information on apps being used for pregnancy prevention and how clinicians can support clients who are considering these apps.

Successful Completion
This course offers 0.5 contact hours. To receive contact hours, participants must complete the course with a satisfactory grade of 80% or higher on the quiz and complete the Evaluation/Request for Credit form. CNE and certificates of completion will be available immediately upon passing the course and submitting the evaluation. CHES certificates will be emailed within four weeks of submitting the evaluation.

Objectives
By the end of this presentation, participants will be able to:
1. Identify characteristics of apps appropriate for pregnancy prevention; and,
2. Support clients who choose to use an app as part of their strategy to avoid pregnancy.

Conflict of Interest
In accordance with continuing education guidelines, speakers and planning committee members have disclosed financial relationships with commercial interests that may create a potential conflict of interest.

Disclosures
Speaker Disclosures: Victoria Jennings received funding from the U.S. Agency for International Development, and several foundations to develop and test FABMs, including the Standard Days Method and CycleBeads, which is patented by Georgetown University and licensed to Cycle Technologies for commercialization, and also the TwoDay Method. She also received USAID funding for a study of Dynamic Optimal Timing, also known as DOT, for which a patent application has been filed by Cycle Technologies. She is related to the owner of Cycle Technologies, and has no financial relationship to and receives no income from this source.

Planning Committee Disclosures: Sharon Colbert, Angela Bolen, Viannella Halsall, Charlotte Curtis, and Martha Lofgreen have nothing to disclose. Jacki Witt serves on the advisory panel for Afaxys (Resolved).

Commercial Support/Sponsorship:
There is no commercial support for this training.

Non-Endorsement of Products:
The University of Missouri-Kansas City School of Nursing and Health Studies and ANCC do not approve or endorse any commercial products associated with this activity.

Enduring Materials – CNE and CHES contact hours will be awarded for this program through December 31, 2019.

Accreditation
The University of Missouri-Kansas City School of Nursing and Health Studies is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. This program offers up to 0.5 contact hour for this activity.

Sponsored by UMKC School of Nursing and Health Studies, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This webinar is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to 0.5 total Category I continuing education contact hours.

Contact Angela Bolen at bolena@umkc.edu if you have questions regarding continuing education credit.
